

February 17, 2016

Hello Daniel,

After reviewing your application, I am pleased to announce you have been approved as a Professional Member of the National Speakers Association (NSA). Congratulations and welcome! We know you will find your membership to be a rewarding experience both personally and professionally.

To get you started on the right foot, we have included some key information below:

- Be sure to log into our website at www.NSAspeaker.org to gain access to member resources. Click **Member Login** and use account information you have already provided or follow the directions to access your existing account.. *(If you have difficulties with logging in, contact memberservices@nsaspeaker.org or call 480-968-2552)*
- As part of your NSA membership, you are provided a complimentary basic eSpeakers profile. Why eSpeakers? eSpeakers provides a robust platform for you and your business. Speakers bureaus, meeting planners, and other members of the Global Speakers Federation can access the **Speaker Directory** at NSA's site to find great speakers like you. You will receive an email from eSpeakers with your unique user name and password so you can log in and create your profile.
- If you wish to use a professional designation or educational degree with your name, we require that you provide proof of the designation or degree from a college or university accredited by the American Council on Education. These can be faxed to 480-968-0911, or emailed to us.
- Get connected!
 - Be sure to check out your local NSA chapter. Chapter membership (though not a requirement) is strongly recommended for that face-to-face connection to the Speaker Community. Chapter membership is separate and distinct from national membership. Find your local chapter and learn more about upcoming events and offerings at <http://www.nsaspeaker.org/attend/#chapters>
 - Connect through social media!
 - Join **National Speakers Association Members Only** Facebook group from your private Facebook account. On LinkedIn, join **National Speakers Association (NSA)**. Follow NSA on [Twitter](#)
 - Attend live national events throughout the greater U.S. NSA offers something for every schedule... Subject Labs, our annual premiere event, **Influence**, with about 1400 in attendance, and our more intimate Winter Conference. Check out all of NSA's upcoming events at <http://www.nsaspeaker.org/attend/>
- Stay informed!

- Speaker Magazine and Voices of Experience (VOE) audio are provided to you as a member benefit 10 times annually. On the go? Access apps for your smart phone. Learn more at <http://go.nsaspeaker.org/sm> and <http://go.nsaspeaker.org/voe> .
- Monitor email for updates, webinar invites, NSA news, and information about events.

Last but not least, know that we are here for you! Feel free to contact our member services team memberservices@nsaspeaker.org (480) 968-2552 if you have questions or need further information.

Best regards,

Jean Beck
